Dear Parent,

As you may be aware, from Grade 1 upwards, there is a character section as part of the syllabus. Therefore, your daughter is required to have a full circle black character skirt. If purchased new, these can prove very costly (over £40). If you wish to make your own skirt you must see me for instructions or alternatively you may have one made at a cost of £20 in cash (this is due to us being charged for cheques we bank). Please return this form with your payment in an envelope.

Thank you,
Deborah
